# SNAP MS70C

FYA-DEFENCE Multi-Service Cast-in Collar 70mm

## PRODUCT DESCRIPTION

Single stand-alone collar or multiple side-by-side collars providing flexibility on the overall size of the installation vs cast-in metal boxes - making this product very cost effective.

Designed to compete with cast-in boxes, wrapped solutions and retro offerings

Fully compliant with AS1530.4 and NCC2022 and as always refer to the Assessment Report to ensure your application is covered.

Ideal for data, conduits, lagged copper, paircoil bundles, PVC pipes and more.

No topside wrapping needed

Scan the QR code to access SNAP MS70C installation instructions, drawings, and assessment reports.
